

MSU Forestry Club/SAF
Officer's Meeting
February 22, 2006
Thompson 208a
5:30 pm

1. The M-tooth saw blade needs to be sent out and sharpened tomorrow.
2. Brian needs to get with Orlando for Project Learning Tree. The date is April 7, and the workshop is here in room 118 this Saturday at 8:30
3. There is an opportunity for juniors and seniors to go to the conference of the Association of Consulting Foresters in Wisconsin this summer. Selection is based on an essay.
4. Those going to conclave need to fill out a waiver registration form.
5. Only 12 days are left to practice for conclave.
6. We still need to do something about club t-shirts.
7. We will also begin taking nominations for next year's club officers tonight.
8. There has been discussion about making service projects mandatory for those who want to go to conclave or the national convention.
