March 25, 2006  
Thompson 208a  
6:00 pm

1. Project Learning Tree is April 7 at 9:00. Meet in the front parking lot. Please come, because when we have more people, we can spend more time in each classroom. Sign up sheets are available.
2. Conclave: 11 people attended and had a great time. We placed 9<sup>th</sup> overall. Work on these events over the year if you are interesting in going next year
3. If you have pictures of club events, please get them to Dr. Grebner.
4. The CFR college field day is April 2, beginning at 9:00am. The forestry club is having a canoe race. Everyone is encouraged to come. The event is department-wide and alumni will be present.
5. Habitat for Humanity: we want to help them out, but we can't find a free weekend between now and the end of the school year, so we will contact them next semester.
6. The students give an outstanding Forestry faculty award at the student banquet, and we have chosen Dr. Andy Ezell.
7. The Lovelace canoe trip is the last week in May or the first week in June. If anyone is interested, see Davis Lovelace.
