

## EXTENSION

Would you like to know more about...

- Performing game camera surveys using a science-based approach to estimate your deer herd?
- Learning about silviculture practices that improve habitat quality for wildlife while maintaining profitable timber production?

Then attend our **Game Camera Surveys and Forest Management for White-tailed Deer** workshop.

Individuals who require special accommodations to participate should contact the Tate County Extension Office to make their request prior to the program. Contact should be timely to ensure appropriate accommodation.
