Winona

# Alternative Sources of Forest Income

A short course for private non-industrial forest landowners and their families.

## PROGRAM AGENDA

### Monday, August 22, 2016

#### DESCRIPTION

This short course informs forest landowners of alternative sources of income from their forest land production. Natural resources specialists will cover topics such as agroforestry, biomass and carbon credits, Christmas tree production, firewood, specialty woods, and crafts markets and values, hunting, fishing and other recreational leases, pine straw production and pole production.

5:30 pm – 6:00 pm	Registration
6:00 pm – 6:30 pm	Specialty woods and products (Brady Self)
6:30 pm – 7:15 pm	Recreational leases (Adam Rohnke)
7:15 pm – 7:45 pm	Dinner
7:45 pm – 8:30 pm	Timber management for increasing utility pole production (John Willis)
8:30 pm – 9:15 pm	Raking in the profit. Is pine straw raking an option for you? (John Willis)

### Monday, August 29, 2016
