

# **Quail Focal Area Field Day Fulton County, AR**

**September 5, 2007**

The morning session will consist of PowerPoint presentations. They will be given at the Southfork Resort in Saddle, AR. The address for the resort is 7230 Hwy 289 N, Saddle, AR 72554. Their internet address is [www.southforkresort.com](http://www.southforkresort.com). All morning presentations will be at their pavilion. Lunch will also be at the pavilion and will be catered by Fred's Fish House in Mammoth Spring. We will have a field tour in the afternoon that will highlight three properties in the focal area and the practices being implemented in the focal area for quail.
