

**MSU Forestry Club/SAF
General Meeting
October 4, 2005
208a Thompson Hall
6:00 pm**

Items Discussed:

1. Adopt-a-Highway is this Friday at 3:30. Meet at the equipment show site. Field day has also been canceled and rescheduled for October 29th.
2. We need a design for the conclave flag and forestry club t-shirts. Ideas should be submitted ASAP, and the winner gets a cash prize.
3. Huggies are on sale for \$3.
4. The Convention is 3 weeks away. People who are going should preregister online. Tedrick Ratcliff and Mike Strange won the raffle for free registration. The Quizbowl team has been put together, and everyone needs to see Dr. Grebner after the meeting to fill out travel forms.
5. Scholarship applications are available from the Garden Club of America. They offer scholarships and fellowships for all kinds of majors. Dr. Grebner has the info.
6. We have been asked to help with Forests for Humanity again. If you are not going to convention and want to go, sign up. We are not going as a big group, so just sign up for when you can.
7. We need two people to meet with an alumni for an hour or so on November 11, a Friday from 1:30-2 or so.
