

**MSU Forestry Club/SAF
General Meeting
September 6, 2005
208a Thompson Hall
6:00 pm**

Items Discussed:

1. The Equipment Show has been postponed until next year. As a result, cants need to be cut on Fall Field day to use for Conclave practice. We need to locate a mini-mill to cut cants.
2. Rooms have been reserved for SAF National Convention. See Angela if you want to go and have not yet signed up.
3. We will meet at Thompson Hall at 7:45 on September 17 to carpool over to the Forests for Humanity site. We will work until about 12:00, then return.
4. Dr. Londo is getting some items together to take a couple of trailer loads of hurricane relief supplies to affected counties involved in the title three Enhanced Forestry Program. He needs volunteers to help load the trailers, probably next Monday or Tuesday. Sign up sheets are available.
5. Lance Stewart spoke and urged anyone involved in salvage logging operations in areas affected by the hurricane to use extreme caution. He also let us know about IRS publication 510, which has several logging-related tax issues we need to be aware of.
6. We need to find or make a large MSU flag to have at conclave. We also need to look into club t-shirts.
7. The CFR Welcome Back Barbeque is September 15. Everyone is encouraged to RSVP and attend.
8. We are donating \$500 to the Red Cross's hurricane relief fund, to go to the state of Mississippi. Rachael Singleton is also accepting supplies for CFR students affected by the hurricane.
