

# Conservation Careers Discovery Day

For Girls in 9th - 12th Grade

March 30 - 31, 2012

Friday 4:00 pm - Saturday 6:00 pm

**Do you like wildlife? Being outdoors? Science?**

If you answered "YES" to any of these questions, come to Mississippi State University and meet women that work in wildlife biology, aquatic ecology, land management, law enforcement, conservation education, and more. Experience the outdoors and science like never before as you learn some of the skills used by the pros, such as capturing wildlife, GPS technology, and plant identification. Learn outdoor skills, camp out, and visit around the campfire with women biologists who started out just like you. Simply send a 200-word (max) paragraph on why you want to attend to: Discovery Day, attn: Leslie Burger, Mail Stop 9690, Mississippi State, MS 39762 or email it to:

[lburger@cfr.msstate.edu](mailto:lburger@cfr.msstate.edu). Don't forget to include your name, school, grade, home address, phone number, email address, & T-shirt size. Deadline for entry is March 15!

There are no fees and limited travel scholarships are available based on need.

For more information, contact Leslie at 662.325.6686, [lburger@cfr.msstate.edu](mailto:lburger@cfr.msstate.edu)

**Hosted by Mississippi  
Women in Natural Resources**
