

Interested in Waterfowl and Wetlands?

Mississippi State University is pleased to announce the
Scenic Homes “Dr. Richard M. Kaminski” Undergraduate
Scholarship in Waterfowl and Wetlands Conservation

Qualifications:

- Full-time undergraduate student in the Wildlife, Fisheries and Aquaculture Science option in the College of Forest Resources at Mississippi State University (MSU)
- A high school senior with a minimum ACT score of 24 or SAT score of 1,090
- Demonstrate superior academic achievement and professional and personal interest and dedication to waterfowl and wetlands science and conservation
- Once enrolled at MSU, maintain a GPA of 3.0 or higher
- Show promise of an outstanding career in wildlife science and conservation, especially in waterfowl and wetlands

To Apply:

Please submit to Dr. Bruce D. Leopold, Head; Department of Wildlife, Fisheries, and Aquaculture; Mississippi State University; Box 9690; Mississippi State, MS 39762 (bleopold@cfr.msstate.edu)

- A cover letter indicating a desire to compete for the scholarship beginning in a specified fall or spring semester
- A resume
- An essay (3 typed pages or less, double-spaced) explaining your reasons and needs for a scholarship, your short and long-range professional and personal goals and other information you deem relevant
- Current undergraduate students at other universities/colleges, seriously interested in transferring to Mississippi State University, are welcome to apply.
- Deadline for application will be announced with advertisement of scholarship availability.
