the International Society of
Arboriculture (ISA)

Arborist CEU & Forester CFE

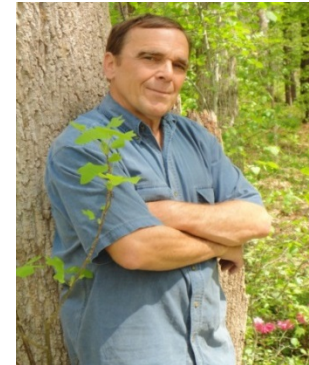

PAAM Mission Statement:

The mission of the Professional Arborist Association of Mississippi (PAAM) is to ensure the future health and vitality of our Urban and Community Forest by promoting public awareness, good stewardship, continuing education, professional training, and adherence to best practices in the field of Arboriculture.

2015 Annual Conference

Diagnosing with Detective Dendro™

Featured speaker: Guy Meilleur, Practicing Arborist, Aerial Consultant, and author of over 30 Detective Dendro articles. Guy was an Instructor at Duke University and serves as the US contact for the Veteran Tree Network and the Ancient Tree Forum.

Contact www.HistoricTreeCare.com to conserve tree value with support and lightning systems, pruning, report writing, root invigoration, and community education.
