# Forest & Wildlife Management for Profit and Recreation

A short course for private non-industrial forest landowners and their families.

## DESCRIPTION

This short-course introduces forest landowners to the basics of forest management with the dual objectives of timber and wildlife production. Natural resources specialists will cover topics such as pine thinning, multiple forest use, hardwood management, wildlife population management, hunting leases, and landowner assistance programs.

## WHERE

Extension Building  
294 Hwy 51 South  
Batesville

## WHEN

April 10, 2012  
8:30 pm to 2:30 pm.

## COST

Registration is \$35 per person, \$50 per couple. The fee covers reference materials and refreshments, including lunch. Space is limited. Register by **March 23**.
