Individuals who require special accommodations to participate should contact the Attala County Extension Office to make their request prior to the program. Contact should be timely to ensure appropriate accommodation.

You are encouraged to become a member of the Attala County Forestry Association. Its purpose is to promote, develop, and protect the forest and natural resources in Attala County for the best interest of present and future generations.

This organization also acts as the "Voice of Forestry" in your county. The membership conducts public affairs, communications, and educational programs that promote a better understanding of the environment and forest management. If interested, contact your county extension director about joining.
