Forest Management For Wildlife

**Landowner Workshop
Wednesday, May 7, 2014
8:30 am – 12:30 pm
Cliff Finch Office Building
245-C Eureka Street
Batesville, MS**

Forest Management For Wildlife

A workshop for private non-industrial forest landowners and their families.

DESCRIPTION

This workshop introduces forest landowners to the basics of forest management with the dual objectives of timber and wildlife production. Natural resources specialists will cover topics such as pine thinning, multiple forest use, hardwood management, wildlife population management, and hog control. **Please wear field clothes, boots, and insect repellent. Be prepared to walk on occasionally difficult terrain.**

WHERE

Cliff Finch Office Building
245-C Eureka Building
Batesville, MS
