

ARE MY PINES READY TO THIN AGAIN?

A workshop for private non-industrial forest landowners, loggers, and foresters.

DESCRIPTION

This workshop provides a field experience to determine when a pine stand is ready for a second thinning. Participants will have a "hands-on" experience measuring trees and making calculations to evaluate the stand for thinning.

WHERE

Pheba Community Center (next to the VFD)
Hwy 50 West
Pheba, Mississippi

We will meet at the Community Center for a brief program, then go to the field. Please wear appropriate field clothes, boots, and insect repellent.

WHEN

Friday **April 16, 2011** from **8:30 AM – 1 PM.**

COST

Registration is **\$20 per person.** This fee covers the reference materials, refreshments, and lunch. Space is limited. **Register by April 13** to reserve your space and a meal.

FOR MORE INFORMATION CALL:

Reid Nevins.....(662) 494-5371
John Kushla.....(662) 566-2201
